

Weekly Summer Flute Masterclasses and Ensemble Fun For Polk County Flute Students

Offered by Master's Level Flutist
Kay Endsley

Join with other flutists from the area on Wednesdays in the month of July for fun weekly 1 1/2 - hour sessions devoted just to flute playing.

Weekly Masterclass time will include:

- Fun Facts and Activities related specifically to the flute
- Tone studies
- Ensemble time
- Audition preparation for Scale mastery
- Sight-reading
- How to prepare etudes

Make your summer flute practicing **FUN** by doing it with a group! We will use games, special activities, and interesting approaches to increase your abilities on your instrument.

Our group sessions will be a **Noncompetitive Environment** where students can come together and encourage one another, learn, and have fun all at the same time. The exercises are designed to help prepare you for school pass-offs and auditions such as All-County and All-State, and to learn to work together on FUN MUSIC as a flute ensemble.
